This beautiful and contemporary duplex loft is located in the Passy neighborhood, characterized by its village vibe and beautiful Haussmanian buildings. The exceptional features here are the exquisite interiors and views over the rooftops of Paris. Although the area exudes an air of calm and tranquility, it is home to several restaurants, high end shopping and the Ranelagh Gardens. Another advantage of Passy is not only its proximity to iconic Parisian landmarks such as Eiffel Tower, Trocadero or Roland Garros, it is also close to the Bois de Boulogne so within easy access to Olympic events outside of Paris.
